

## Crestron FT2 Series FlipTops™

Revolutionize the presentation experience

Visit [crestron.com/fliptops](https://crestron.com/fliptops) to learn more

## Everything you need at your fingertips

Next-generation FT2 Series FlipTop connectivity solutions make it easier than ever to get connected at a conference room table or lectern, while concealing all connections and cables inside stunning new industrial designs.

## New features

### Soft, smooth, and silent

Push a button and the door silently retracts and disappears when activated

### Bright

Highly-visible backlit symbols make it easy to find what you're looking for

### Faster installation

50% faster install time vs. leading competitors' cable enclosures (fits into most standard cutouts, too)

### Cable clutter solved

Touch a button, cables retract

### No more power anxiety

40W, fast-charging USB-C™ and USB-A power

### Spectacular

Two finishes, no exposed screws, happy designers

## Choose the right FlipTop for you

### Choose a size (Cutout sizes shown)

**FT2-202**  
(7" x 3.25")

**FT2-500**  
(5.75" x 5.75")

**FT2-700**  
(7.125" x 5.75")

## Choose the right connectivity

### Premium

#### Active FlipTop

Supports USB-C charging modules, one-touch or vertical gravity retractors, and all active 4K connector plates. All labels are backlit.

*USB-A and USB-C can be used simultaneously*

Largest FlipTop option provides two separate connector bays facing opposite sides of the table

**FT2-1200**  
(10" x 4")

**FT2-1400**  
(10" x 6.75")

## Choose a finish

Alloy

Black

Gravity-assisted track and pulley cable mechanism

Active connector plates preserves 4K60 4:4:4

## Standard

### Passive FlipTop

Supports AC power, basic pass-through cables, flush-mount connectors in keystone plates, and gravity retractors with their precision track and pulley mechanism.

Both active and passive support power modules\*

Keystone connector plates don't preserve, 4K60 4:4:4 but can be used in active and passive models

Gravity-assisted track and pulley cable mechanism

High-performance pass-through cables such as VGA, USB, HDMI®, etc.

\*U.S. and International modules

---

## Choose your accessories

### Shelves, Shrouds, and Mounts

Convenient under table shelf for any FT2 FlipTop, HDBaseT® transmitter, switch, or DMPS.

Easily installed shrouds conceal pass-through cables, gravity retractors, and the FlipTop itself.

Under table brackets allow retractors to be mounted to the center slots of FlipTops.

### Cables

High-quality interface cables, like Stereo Audio, Audio, Mini-TRS, DVI-D, HDMI, RCA, and VGA, for connecting devices. See configurator for full list.

### Power Supplies

An additional power supply (FT2A-UTK-PWR) can be added to support installations using two USB Rapid Charging Modules.

---

---

## A perfect fit

FT2 FlipTops fit in the same cutout as competitors' cable enclosures and install in half the time for a full system. They also fit in the same cutout as the FT-600 for easy upgrades.
